

## Ex Libris

We, the Seniors of Peoria High School, present the 1944 Crest our interpretation of this year's school life.

#### Our Tribute

Endlessly onward flows the river of our school life, beginning as tiny rills and brooks in which it finds its source, and finally plunging majestically into the great open sea. Being a part of this stream is a truly thrilling experience.

The river's course is constantly being influenced by new and changing tributaries, all of which contribute their share toward the river's ultimate goal. In our school life these are the many experiences and activities in and outside of the classrooms which furnish a direct influence upon our later life.

The effect which a storm has upon the river is vividly seen. At the present time a severe and devastating storm is spreading its reaching fury into the lives of all of us. The sea into which our river is flowing is not a tranquil one. However, with the courage and competence that we are developing as our stream flows onward, we shall be prepared for the tempests ahead.

Many of those who have gone before us are now bravely withstanding the storm. Men and women who were once a part of this river are serving our country and serving us to their utmost. Some have already given their lives, and more will pay the same sacrifice. It is therefore with great pride and devotion that we dedicate this book to the Peoria High School Alumni in the Armed Forces of whom this Service Flag is a symbol.

## The Crest Staff

Long, busy hours and work filled holidays are a matter of course for the Crest Staff in their ambition to create the best yearbook ever.

## The Course of Our Stream

### Pilots

We are truly grateful for the assistance of these competent pilots who have steered us safely through the shoals of unknown and difficult waters. In the course of our river we would soon have lost our way in the intricate channel without their skillful guidance.

### Into The Sea

We have now reached the thrilling climax in our stream of school life. As the river has flowed on, it has grown wider and deeper, constantly increased by each new tributary, until at last the wide and glorious sea is reached. Everything gained along the course is taken with us as we leave the river in quest of broader horizons.

# Bob Coyle

Our energetic President began his political career as the only Freshman elected to council as representative at large. His Sophomore year found him not only still a council member, but also President of his class. Again elected to council for his Junior year, he attained President of the District and First Vice-President of the State Student Council Conventions. These outstanding achievements together with his winning personality give us reason to say,

"Bob Coyle, we salute you."

# Student Council

The 1943-44 Student Council sponsored two very successful bond drives in which the combined efforts of the P. R. B. and Council netted \$23,000.00. Central was host to the annual convention of the Pekin District Association of Councils. Student Government Day was attempted for the first time in six years and proved successful.

### Public Relations Board

Planning all pep assemblies is one of the major duties of the P. R. B. A great amount of credit is due them for the success of the National War Loan drives carried on in our school.

#### German Club

The members of our "Deutches Verein" find that learning about the great writers, musicians, and scientists of Germany is time very well spent. However, not all gatherings are in a strictly serious vein. Singing folksongs and playing games give them a thorough understanding of Germany's customs.

#### Science Club

Drawing up a constitution this year—attempted for the first time—was a great event in the history of the Science Club. Many interesting programs were given this year, among which was a movie of the scientist, George W. Carver, talks on penicillin, and on the constellations.

The Social Science Club had quality if not quantity in its membership this year. Discussions on such vital subjects as Federal Union, Socialized Medicine, Post War Problems, and Child Delinquency were held.

#### Hi-Y

Many worthwhile ideas are given this group by inspiring outside speakers. Paul Powell and Dick Millikan attended the National Convention in Chicago. This year our Hi-Y won the Holiday Basketball Tournament.

#### Tri-S

Tri-S, stands for the three spheres of a girl's life, social, spiritual, and service. Spreads, parties, and a Mother and Daughter Banquet fulfilled the first sphere; a Christmas vesper service emphasized the second; and making a child's Easter outfit provided the third.

#### Sound Crew

Our Sound Crew is responsible for all those wierd sounds we hear in our stage productions, the wind, the thunder, or a slammed door. They set up the microphone when it is needed and see that soft music comes over the air as we assemble or leave the auditorium.

The Stage Crew have many duties, the most important of which is the care of the stage and equipment. They build sets and care for the lighting of school productions. Their biggest triumph this year was the several sets built for the "O. P. Aches", the all school musical revue.

# Football

Meeting eight tough teams after the opener, our crimson clad gridmen finished a fair season. The team clicked well against Washington. The Spalding game was one in which defense was absent on both sides as offenses of both teams went into high gear. It was a seesaw game with the Irish finishing on the long end. Tom Folkerts was disabled for the Woodruff game and able to play only a few minutes. The Warriors played inspired ball and defeated us in a hard fought game, 6 to 0. Our boys found themselves in the second half of the Streator game and came from behind in the closing moments to register a nice victory over the Bulldogs. A journey to Springfield proved disastrous as we went down to the tune of 34 to 0 by a fine Senator team. This seemed to snap Central out, and we returned a surprising victory over a much favored Pekin team, 19 to 0 at Pekin. The following week an even greater surprise victory was gained over East Peoria, 7 to 6, in a fiercely contested ball game. Champaign, who eventually won the down-state championship, came here with a great team, and Central did well to score besides worrying the future champs quite a little. The Manual game went about the way most people doped it with the exception of Central holding them to one touchdown. Manual enjoyed too much of a weight advantage to rate as anything less than a strong favorite.

The team lacked size and experience but gave a fighting account of itself all season, showing steady improvement. Williamsfield and Metamora were warm-ups. Next came a surprising win over powerful East Peoria, 25-21. The Central jinx over the Raiders was still working. A trip to Champaign with a loss, 35-21, against a great team—one which later lost to Taylorville in the semi-finals of the State Tourney. Washington and Woodruff registered close victories and Pekin, Manual, and Spalding won by more convincing margins, whereupon the team showed a fine upsurge and defeated a couple of strong Big 12 rivals, Springfield and Streator, by small margins. Sandwiched in between these two fine victories were a dubious defeat, 40-39, at the hands of East Peoria and an excellent display on the part of the Maroons in the Infantile Paralysis Fund game. In this game the team reached a temporary peak. Close losses followed to Woodruff and Spalding. Canton won handily and so did Manual. Next high point of the season was a stunning 42-37 win over Pekin, after which we bowed in order to Streator and Springfield, both away from home. In the Regional Tournament, Central showed class and power against a line Washburn team winning 50-36 and then coming within an ace of defeating Manual, 32-31. The team which played together most and finished the season included Joe Stowell, Bob Blane, Dick Weik, Jim Robertson, and Tom

# Baseball

Our diamond dusters had one of their finest seasons, winning fourteen and losing four. Easy victims were Low Point, Washington, and Chillicothe, while Eureka fell only after a hotly contested game, 3 to 1. Fred Weeks, a sophomore, pitched splendidly in this one. In an early double header with Galesburg, Bogard was invincible in the first game and won handily 6 to 1. Bill Harkins pitched the second game and was in fine form but became wild in the final inning which along with a couple of timely Galesburg wallops spelled the first defeat for the Maroons. Pekin was our nemesis winning both games. The fielding of Central was poor in the first game and inability to connect at the bat ruined our chances in the second. Woodruff was swamped 13 to 2 at Glen Oak Park, Bogard pitching nicely. Bogard also handcuffed Manual 5 to 4, Chuck Fox coming thru with a smashing double in the last of the ninth to drive in the winning marker. Harkins stopped Manual in the second encounter 9 to 5 to give us the intra-city title. In the tournaments Dunlap forfeited, and Galesburg and San Jose were easy victims. Canton with a great team was taken apart to the tune of 13 to 1 with Bogard again in fine form. Central got off to a poor start against Morton of Cicero, allowing six runs in the first two innings on some jittery fielding. The Maroons had many men left on bases in this game and went out 6 to 2. The longest hit of this game was a screaming triple to right center by Jack Pickens, Central shortstop and leading hitter, who shortly received several Big League offers. Fine infield play was exhibited thruout the season by Jim Stowell, Tom Folkerts, Bruce Saurs, Jack Pickens, George Burdette, and Dick Weik. The following earned the varsity letter:-

Charles Fox, Jack Pickens, Jim Stowell, Dayton Stone, Herman Ziegele, Dick Bogard, George Burdette, Dave Burns, Tom Folkerts, Bill Harkins, Bruce Saurs, Fred Weeks, Dick Weik, Ronald Johnson.

# Track

The 1943 track season looked as though it might be a rather disastrous one at the beginning of the year, but as the months went by, new faces appeared and much new talent was discovered in the gym classes. We started the season with only a small number of veterans and only two lettermen. It was evident that our hopes rested with our freshmen, sophomores, and some new juniors.

The season turned out to be quite successful in spite of the handicaps with which we were confronted. Bad weather is always a natural foe of any track team and we had our share. Transportation difficulties and injuries also took their toll. Through all of this, these new boys took hold of things in fine shape and gave their all to try to win. A few of the boys to whom we may look for fine things in the future are Bill Blackwell who improved so much in the sprints, Bill Hillyard who has much native ability in the pole-vault, Bob Baker who is at his best in the hurdles but who also could be counted on to come through in a relay, the broad jump, or sprints, and Herb Allison who developed into a fine distance man and won many honors for his team during the year. There were some veterans who could always be relied upon to come through at the right time. To mention a few, Bill Miller in the pole-vault, Henry Fisher in the dashes, hurdles, and jumps, and Tom Folkerts who was always in there fighting for those points in

There were some humorous things happened too. Remember when we had to get Henry Fisher out of bed to run in the District, and in the same meet Tom Folkerts got in under the wire from the Baseball tournament and almost had to run in a baseball suit?

The golf team enjoyed a fairly good season defeating Manual, Spalding and Woodruff once each, besides taking one from Bloomington. Three defeats came at the hands of Manual, and one each was registered by Champaign and Bloomington. The meets were all triangular affairs except the last one—a dual with Manual.

Bob Phalen gained some fine individual honors by becoming the district champion. He also rated third in the Big 12 and fifth in the State.

Team honors paralleled those of Phalen—district champions, third in the Big 12 and fifth in the State, along with a second place in intra-city competition.

Central's tennis team felt the effects of the war this year in losing Burton Lynch and Dave Caplan, both of the boys having entered college in what would normally have been their senior year in high school. Players of their calibre would, undoubtedly, have made a distinct difference in our team standings. However, and fortunately for Central, there remained Eldon Yeck and Bill Baxter to form the core of a team whose final standings were still enviable. Newcomers Jack Weik and Don Stewart ably rounded out a four-man team, and these new men were always in the battle, win or lose.

As a season starter, the Maroons were obliged to settle for a tie in their match with Canton. In their next match, against Pekin, the first taste of defeat was suffered; but this was to be the only such result of the season. There followed a neat 4-2 victory over a strong Princeton team. However, Princeton partly avenged this defeat by achieving a tie in their return match. Decatur likewise followed their pattern and played our Maroons to a tie. Both the Princeton and Decatur matches were hard fought, and sterling play appeared especially in the singles matches. Lincoln then appeared on our schedule and they, too, suffered a 4-2 defeat. Closing matches of the season against Pekin and Bloomington again resulted in ties.

May 1 - June 9 June 12 - July 15 July 17 — August 19

information, address

Miss Emma T. Schmidt Secretary of Admissions, Bradley College, Peoria, Illinois

President—Dr. Frederic R. Hamilton Registrar-Mr. Asa Carter

RADLEY is a non-sectarian, coeducational college with a program which unites a liberal education, preparation for a major interest, and experience in practical life under guidance and counsel. The carefully selected student body of 800 comes from forty-three states and three foreign countries.

Bradley is on the approved list of the Association of American Universities and the American Association of University Women. It is accredited by the North Central Association of Colleges and Secondary Schools; by the University of Illinois with Class A standing, and by the Illinois State Department of Public Instruction.

Bradley has unusually large curricular offerings for a small college. Besides regular liberal arts courses, there are departments in business administration, home economics, engineering, industrial education, music, art, pre-medical, and nursing. It has a national reputation.

#### ATHLETICS

Bradley supports and is interested in inter-collegiate and intramural athletics. In addition to a schedule of football, basketball, baseball, track, and tennis, which is arranged with leading middle western colleges and universities, the division of intra-mural athletics provides a well organized program which gives meaning to the aim, 'Sports for All." Such teams participate in all of the games mentioned above and in golf, archery, wrestling, hand ball, volley ball, swimming, tumbling and boxing.

Bradley is not an expensive college for the student. It is endowed and is constantly increasing its resources in order that students will be required to pay as small a fraction of the cost of an education as possible. The tuition is very reasonable. This is especially noticeable when comparison is made with other standard college courses which do not offer as extensive technical, scientific, and laboratory courses.

# MAIN STREET

#### is an AMERICAN TRADITION

It's one of those things that make America what it is today, . . . like High School, College, Football, Coke Dates and Jitter-bugs. And what made Main Street? Whether in a small town or a large city, it is the combined efforts of the citizens of the community, each making his own pathway to a comfortable living for himself and family, unhampered by too many regulations and restrictions. Main Street was built by . . .

#### FREEDOM OF INDIVIDUAL ENTERPRISE

Your gas and electric utility companies grew that way . . . from small beginnings to large industries, supplying a service that is vital to our American way of life. Cheap, dependable serivce, provided by experienced business management.
